

News Letter – March 2012

Goliath Launches Updated Website

Please visit our **NEW UPDATED WEBSITE** www.goliath.ie

The site features our complete product range of End of Line Packaging, Materials Handling & Washing equipment, technical data sheets & installation videos with case studies and testimonials to come!

Goliath's fully automated packaging projects have substantially reduced labour costs and increased productivity; see our [installation videos](#) on our Video Library page.

View our extensive range and feel free to call and discuss any current requirements you may have!
